MORAN'S PITCHING FEATURE OF GAME

Washington and Lee Defeats Maryland Agricultural College.

[Special to The Times-Dispatch.]
Lexington, Va., April 15.—Harry Moran was the star of the game for Washington and Lee today, as he pitched the team to a 6 to 2 victory over the Maryland Agricultural College. Moran pitched a perfect game, allowing no hits and no runs. He was aided by the strong batting of the Washington and Lee team, which scored six runs in the first inning. The game was a close one until the fifth inning, when the Washington and Lee team scored three runs. The Maryland Agricultural College team was unable to score in the remaining four innings. The game was a great one for the Washington and Lee team, and a disappointment for the Maryland Agricultural College team.

Remarkable Christmas Present.

Among the curious Christmas presents of this year will be one for a man of national reputation, which has been all year in the making.
Way last January the present was decided upon, and a friend of the prominent gentleman requested the Burrelle Press Clipping Bureau, of New York, to take up every paper in America, and to take up every item which appeared concerning the man.
The clipping bureau people followed instructions, and now present the history of one year in the life of this special man.
The history ends just after election, and the 20,642 newspaper items found include everything from a three-line editorial mention to full-page illustrated stories. These have been mounted on 3,209 great sheets of Irish linen paper and bound into three massive volumes.
At the head of each item is the name and date of paper clipped from, this information having been put in with a book typewriter. The words thus inserted amount to 153,852.
In actual time, a very strict record of which has been kept, the work has required sixty-four working days throughout the year, and has kept in employment during that time thirty people as readers, clippers, sorters, mounters and binders. Every newspaper of importance is represented.
This is merely a specimen of some of the unique orders which get into the Burrelle Bureau, for the extent to which clippings are used by individuals and by business concerns seems to be remarkable.
There are many people in private as well as in public life who need press clippings and don't know it. It might be well for them to look up this man Burrelle, who is said to be so well known that a letter simply addressed "Burrelle, New York" will reach him without delay.

HOODOO RACE WON BY GREYNA GREEN

Horse Number Thirteen in Contest With Thirteen Starters.

New York, April 15.—John W. Schorr's Greyhounds, carrying the hoodoo number 13, in a race of thirteen starters, romped home an easy winner to-day in the fifteenth running of the carter handicap, beating James E. Gaffney's Alfred Noble to the wire by nearly two lengths. M. L. Schwartz's Far West was third. The victory came as a big surprise to the experts, most of whom had picked Chelbre's Jack Aiken as a sure winner, but the Schorr entry had the double handicap of a bad start, and top weight. The race marked the opening of the racing season in the East.
The blight which has fallen on racing since the enactment of the betting laws has kept better and non-bettors alike away from the track. Nevertheless, there was a sprinkling of bookmakers in evidence again to-day, who took advantage of the subterfuge, hit upon last year of making and recording wagers by nod. Betting activity was in evidence on all sides. Pencil odds on racing cars, more or less surreptitiously displayed, marked the layers of odds. On Greyhounds, most of these gave 15 to 1, and some as high as 20 to 1. The play on Jack Aiken varied from 4 to 5 to 7 to 5.
The start was fair, with all thirteen entries bunched in two divisions. Jack Aiken looked at first as if he had been pocketed among the horses of the second division, but under vigorous urging, soon overtook the leaders.
At the quarter pole, he showed in front, and a great cheer went up in the grand stand.
The pace was terrific until a furlong from the tape, where the favorite fell back, and Greyhounds, admirably ridden by Burns, jumped into the lead, and kept it to the end. All three horses to finish were practically on a level, the odds on Alfred Noble being 15 to 1.
Score by innings:
R. H. E.
Trinity 0000000000—4 7 2
Mercer 1000000000—7 7 2
Batteries: C. West and Flowers; Smith and Voss. Struckout by West, 7; by Voss, 3. Base on balls—Off West, 5; off Voss, 2.
WILL NOT ACT AS CAPTAIN.
Members of Virginia Football Squad Will Elect Successor to Bowen.
[Special to The Times-Dispatch.]
Charlottesville, Va., April 15.—The resignation of Hedy McKeen, Bowen, or Bramwell, W. Va., captain-elect of the Virginia football team, has been accepted by the General Athletic Association of last year's eleven will meet tomorrow night to choose his successor. Bowen has put up a consistent game at end for the past two seasons, and was a number of no mean ability. As there was no kicker of his prominence in the backfield, the heart of the punt fell upon him. He got off his kicks in good style, and they were of sufficient height to allow the ends to get well down the field under them. There were few mistakes around his end.

Randolph-Macon and William and Mary to Contest for Championship.
[Special to The Times-Dispatch.]
Ashland, Va., April 15.—Following a victory Thursday over Richmond College, in the first championship game of the season, Randolph-Macon's nine will try out to-morrow against William and Mary College. The contest will be a championship game, and will be played in Ashland. Judging from the two teams' work so far this year, the Methodists would seem to have the advantage, but they do not in the least expect a walkover. Several of the home team are on the crible list, while Gravely, captain and pitcher, is indisposed, and will not be in the game.
Smith is expected to put up as good an exhibition of slab work as if he had had a week's rest.

Saturday a game will be played at Washington, with Georgia. The Harvard team will practice on the University of Virginia's grounds.

UNIQUE PRESENT FROM TAFT.

President Sends Treasured Souvenir to Pitcher of Washington Team.
Washington, D. C., April 15.—President Taft's solicitude for the success this season of his "home team," the Washington American League baseball nine, which in last year's pennant race lead the tail end of the procession, was shown to-day when the President presented to Walter Johnson, the Washington American League team's premier pitcher, an unique autographic message. The treasured souvenir of Pitcher Johnson is the baseball which President Taft threw from his box in the grandstand out into the diamond at yesterday's game with the Philadelphia team, thereby opening the baseball season here. Johnson sent the ball to the White House to-day, and the President wrote upon it: "For Walter Johnson, with the hope that he may continue to be as formidable as in yesterday's game."
(Signed) "WILLIAM H. TAFT."
After succeeding, with difficulty, in penning these lines on the ball, the President dispatched the White House messenger to the baseball park, where Johnson proudly displayed his treasure to his fellow players, and the members of the visiting Philadelphia team.
